**Donations Request Statement
York County Rapid Rehousing Program (RRH)**

Dear Potential Donor:

The Rapid Rehousing Program (RRH) serves homeless youth/young adults ages 18-24 in York County. RRH is a housing first initiative. The belief and mission of the program is to provide a safe and stable place to live for the youth/young adults and by doing so, they can focus on education, employment, health/mental health and overall improved wellbeing. The program provides rental assistance for an apartment and sets a step-down payment system for the youth/young adult, by discharge they are paying 100% of the rental payment themselves.

Our HUD funding only covers the rental payment step-down portion. Our youth, however, are coming to us from homelessness and do not possess the means to purchase furniture, groceries, pay utilities and other start-up costs when first moving in. We are asking for the below donations to assist in providing some of these essentials to our youth upon move in.

Suggested Donations:

\$25.00	\$50.00	\$75.00	\$100.00	\$125.00

Thank you in advance for your consideration and support of our youth programs in York County!

Sincerely,

Melody Hoffman, BS
